Policy For Health & Safety

At The New Montessori Pre-school we recognise our duties under the Health and Safety at Work etc Act 1974 and associated regulations. We will endeavour to meet the requirements of this legislation and maintain a safe and healthy working environment. Our Managers and Supervisors are informed of their responsibilities to ensure they take all reasonable precautions, to ensure the safety, health and welfare of those that are likely to be affected by the operation of our business.

The New Montessori Pre-school recognises its duty, so far as is reasonably practicable.

- To make regular assessments of the hazards and risks created in the course of our business.
- To provide adequate control of the health and safety risks so identified:
- To consult with our employees on matters affecting their health and safety.
- To provide and maintain safe plant and equipment.
- To train our employees in manual handling.
- To ensure the safe handling and use of substances
- To provide information, instruction, training where necessary for our workforce.
- To ensure that all workers are competent to do their work, and to give them appropriate training.
- To prevent accidents and case of work related ill health
- To maintain safe and healthy working conditions
- To actively manage and supervise health and safety at work
- To have access to competent advice
- To review annually and revise, as necessary, this policy
- To provide adequate resources for its implementation
- To provide the resources to give this policy effect.

We also recognise:

- Our duty to co-operate and work with other employers when we work at premises or sites under their control to ensure the continued health and safety of all those at work: and to follow the guidelines for manual handling.
- Our duty to co-operate and work with other employers and their workers, when their workers come onto our premises or sites to do work for us, to ensure the health and safety of everyone at work.

To help achieve our objectives and ensure our employees recognise their duties under health and safety legislation whilst at work, we will also inform them of their duty to take reasonable care for themselves and for others who might be affected by their activities. We achieve this by explaining their duty and setting out our company health and safety rules in an Employee Safety Handbook which is made available to every worker employed by us

In support of this policy a responsibility chart and more detailed arrangements have been prepared.
